---

### Career Objective

Front-End Developer skilled in HTML, CSS, JavaScript, and React.js, passionate about creating responsive, user-friendly web applications and eager to contribute to impactful projects, while committed to continuous learning and professional growth.

### Education

Mansoura University – Faculty of Computers and Information

Bachelor's Degree in Information Technology (IT)

Graduation: June 2025

Overall Grade: Pass

Graduation Project: "Medication Management System" – Achieved Excellent grade.

### Technical Skills

- Languages & Frameworks: HTML5, CSS3, JavaScript (ES6+), React (Vite), Python (Basics)
- Styling: CSS, Bootstrap, Responsive Design
- Version Control & Build Tools: Git, GitHub, npm, Vite
- Tools: VS Code, Chrome DevTools
- Other: API Integration (REST/JSON)

## Projects

- E-commerce Website – Developed a responsive and fully functional e-commerce web application using React (Vite). Integrated with Dummy JSON API to manage products. Key features include product browsing, category filtering, and cart management. Designed with a focus on responsive layout and interactive UI/UX.

🔗 Live Demo: <https://ahmed-elsedy15.github.io/e-commerce/>

- Portfolio Website – Built a responsive personal portfolio using React (Vite) and CSS. Showcases projects, skills, and work experience, with smooth navigation, engaging UI elements, and responsive design across devices.
